MEMORANDUM FOR: ChiCom Target Working Group  
SUBJECT: Sanitization Manual  
REFERENCE: TCS-7513-60

1. It would be appreciated if you would bring with you to the meeting on Tuesday morning at 9:30, convened to review the draft ChiCom Targets, your copy of the TALENT Sanitization Manual (TCS-7513-60, 1 June 1960).

2. I have reviewed the Manual in the light of our "Proposal to Release Materials from the TALENT System, TCS-7651-60/C, 19 July 1960) and propose for your consideration that with minor editorial amendments (which we can discuss at the meeting) and the addition of Annex F (copy of which is attached hereto as submitted by NSA) be approved and released. A separate instruction in pursuance of our decision for the release of material on the USSR would of course inform our various agencies that the provisions of the Manual applicable to the USSR would be on all materials prior to May 1, 1960. Under this concept new materials acquired after 1 May 1960 would be subject to the provisions of the Sanitization Manual.
